

Case Study - Chelsea Heights

Hitting the Heights

The waterproofing of Chelsea Heights, Sheffield was started in 2020 by Mark Dickens of P D Contract Services, a long-standing Dryseal approved contractor. P D Contract Services are a multi-faceted widely experienced company supplying and fitting slating and tiling, wet lay GRP and zinc roofing as well as their system of choice in this instance, the Dryseal GRP Roofing system.

Mark chose the Dryseal system as he recognised the long-established market-tested product's excellent performance combined with Agrément certification and the high manufacturing standards of ISO 9001, providing confidence to both the client and the architect.

Totalling around 1,800m² this project has been on-going since 2020 installed observing the high standards set by main contractor and developer PTA Developments Ltd. Incorporating exposed main roofs, balconies with a number of "green" roofs incorporating a significant insulation layer throughout.

Dryseal Manager Andy Fell said "We have really enjoyed working with Mark on this prestigious project as it has grown and developed over the months, concluding with an excellent high standard of finished work".

Dryseal used as a barrier for a green roof

Excellent finish
